Beautiful designs that make your brand **STAND OUT**

Hi, I'm Emma! Over 13 years experience of both online and traditional media, with a thoughtful approach to design, has consistently contributed to substantial revenue growth and elevated positioning for the brands I have been associated with.

From surface pattern and illustration for products and packaging, to email newsletters and websites, my understanding of design, branding and marketing is fundamental to delivering assets that not only perform well but elevate your brand through visual style. I'm based in Cornwall but happy to get to know you, wherever you may be.

I mainly use watercolour, gouache paint and inks to create unique prints and add in digital elements to produce high quality designs that are one of a kind.

License for any category; textiles, homewares, stationary, wall coverings, clothing.

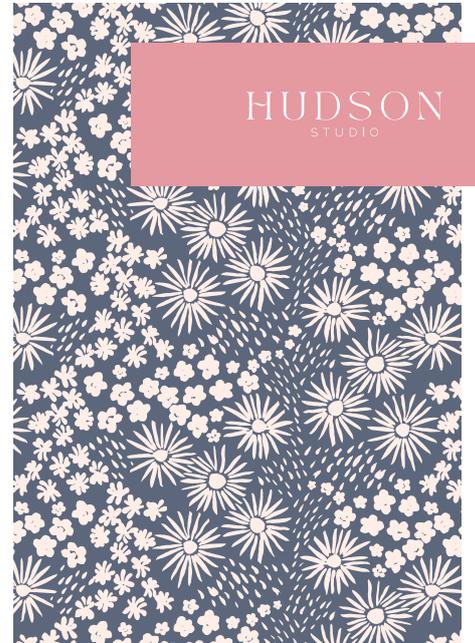

Artworked files will be provided in high resolution swatches and can be colour adjusted to suit your needs on request.
